MEMORANDUM

TO: Richard McCullough, President

FROM: Kyle Clark, Senior Vice President for Finance & Administration

DATE: June 15, 2023

SUBJECT: Request for Approval  
Campus Master Plan Minor Amendment

In September 2022, the Board of Trustees (BOT) adopted the University's current Campus Master Plan (CMP), which covers the years 2020 to 2030 (near-term and mid-term). It needs to be clarified that the Tallahassee Campus Main Site Campbell Stadium Improvements project has become two distinct projects. Also, the details on the map of the Overview and for the Support Facilities where projects are highlighted need to be corrected. The attached documents show the four pages within the adopted plan that require corrections.

There are no significant changes proposed for either the Tallahassee Campus Southwest Site or the Panama City Campus at this time.

By statutory definition, these corrections do not constitute a major or minor amendment and will not affect the Campus Development Agreement but are corrections for the record of the Campus Master Plan.
