2.b Projected FTE Enrollment

In the following **Table 2.5** are shown the Year 2009-10 and Year 2014-15 projections of FTE enrollment for all sites combined separating undergraduates from graduates. Projections are typically based on 1% for Undergraduate and 2% Graduate Student increase per year. College of Medicine enrollment will remain level until 2010 and then increase to 480 FTE and remain level thereafter. Panama City Campus projections are for 2% undergraduate and 2% graduate student growth per year.
